FOREMARKET PRODUCTS EXHIBITION TRAILER

CAMFIL'S FOREMARKET TRAILER . . . COMING TO YOUR AREA

Camfil invites you to experience the first-ever foremarket air filtration mobile exhibit. Featuring our diverse containment, life sciences, molecular, and HVAC product lines, you will see firsthand the latest advances in clean air solutions for protecting people and processes.

“It's truly educational with hands-on engagement of filtration equipment . . .”

- Perform Absolute filter certification testing in the Camfil SafeScan testing demo.
- Learn time-saving features and benefits of Camfil's life sciences product line.
- Gain insight on harmful, corrosive gas removal to improve facility air and extend equipment life.
- Witness a bag-in/bag-out filter change.
